

NOTICE

There have been recent changes to the payment system rules for direct deposit of payroll.

If you receive your payroll via direct deposit at a U.S. bank and then have the entire net payroll amount forwarded to a bank in another country please advise the Payroll Department.

There are new formatting requirements for these transactions that UMDNJ needs to follow. It will not impact your payroll.

Please contact the Payroll Department at (732) 235-9215.
