

# UMDNJ NJMS-UH Cancer Center

Minority Based Community Clinical Oncology Program

Yasmeen S. Barber, BA, CCRP  
Clinical Research Coordinator

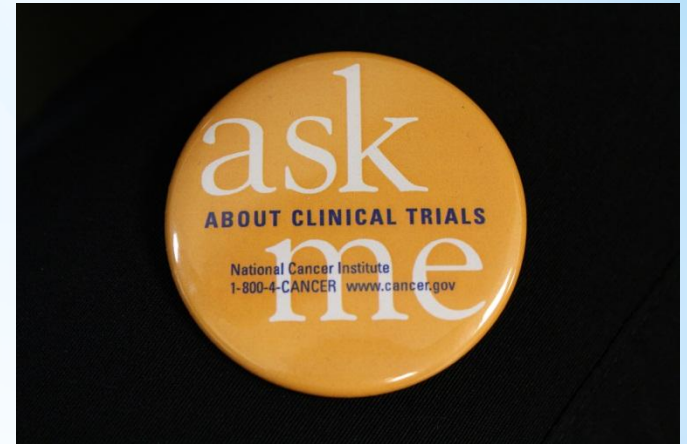

## \* ABOUT US

NCI designated Minority Based  
Community Clinical Oncology  
Program (MB-CCOP)

Oncology Program is a referral  
center for head and neck cancer,  
cancer of the bone and tissue,  
liver cancer and women's cancers

Offer cutting-edge clinical  
trials at our hospital for cancer  
prevention and treatment

Provide safe, nurturing care and  
exceptional service to our  
patients

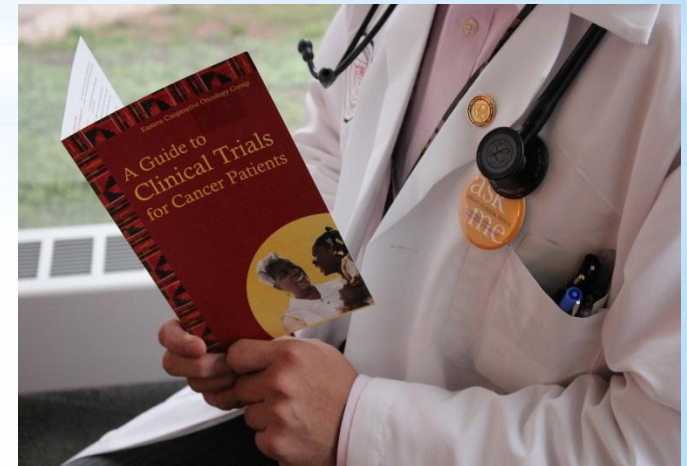

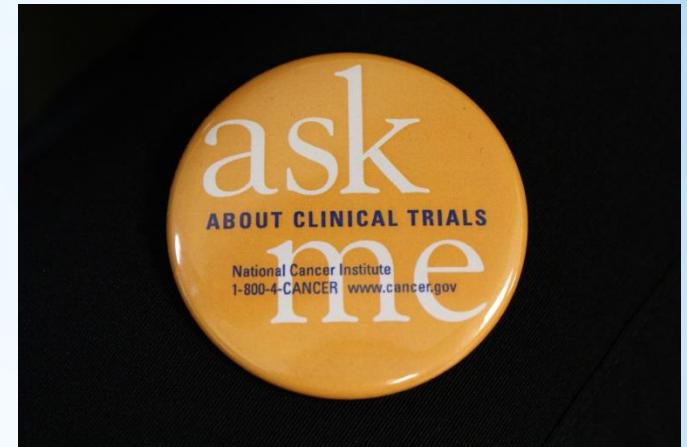

\* **How Patients Help Us**  
**FIGHT Cancer**

Patients in the City of Newark and neighboring communities are contributing to important research as study participants on clinical trials.

Often, we are the only center in the region where certain cancer trials are available and as a result, we draw cancer patients from faraway places to come to us for treatment.

\* **Our Clinical Trials**

Metastatic Breast Cancer

Metastatic Colon/Rectal Cancer

Breast Cancer

Cervical Cancer

Endometrial Cancer

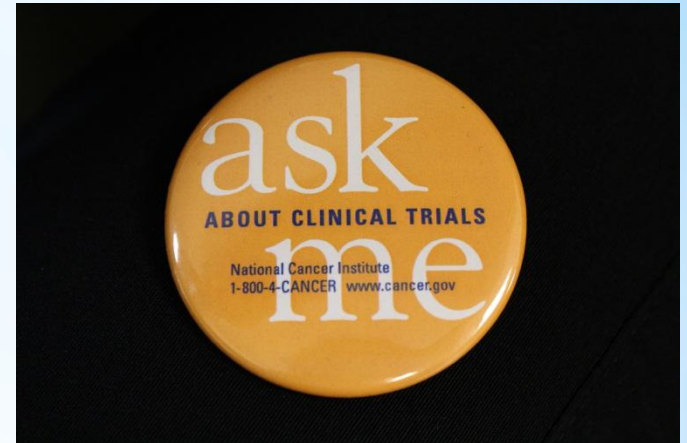

Liver Cancer

Head & Neck Cancer

Soft Tissue Cancer

Prostate Cancer

Renal Cancer

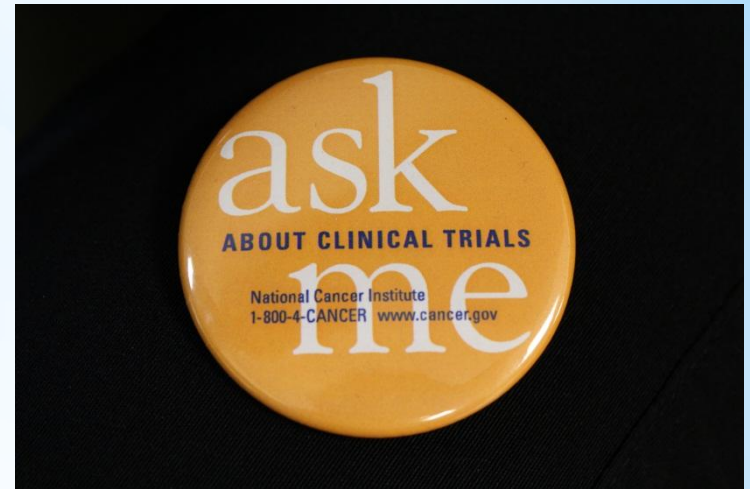

\* **We Are Here To Support  
Patients and Families**

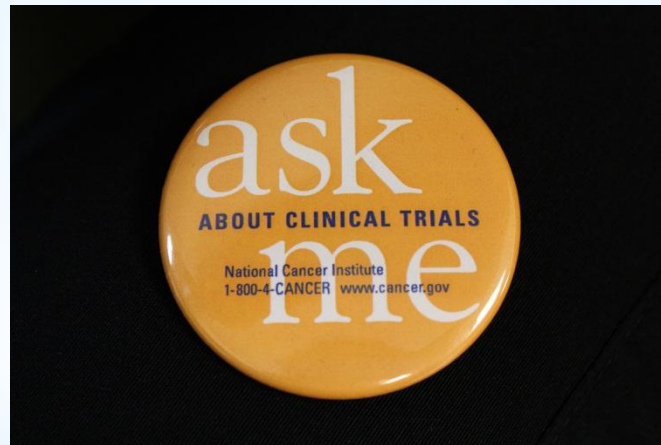

Not sure if a clinical trial is for  
you? Talk to your doctor.

Do you need more information  
on clinical trials at UMDNJ?  
Please call us with your  
questions.
