# HOW TO TEACH TUBERCULIN SKIN TESTING: A TRAIN-THE-TRAINER WORKSHOP

SEPTEMBER 30 - OCTOBER 1, 2009

CNE CERTIFIED TRAINING ACTIVITY

New Jersey Medical School Global Tuberculosis Institute

225 Warren St. 1st Floor

Newark, New Jersey

[www.umdj.edu/globaltb/home.htm](http://www.umdj.edu/globaltb/home.htm)

## Sponsored by

University of Medicine & Dentistry of New Jersey (UMDNJ), New  
Jersey Medical School Global Tuberculosis Institute, and  
UMDNJ-Center for Continuing and Outreach Education

This program is an activity of the  
**NORTHEASTERN REGIONAL TRAINING &  
MEDICAL CONSULTATION CONSORTIUM**

*This activity is supported by an educational grant from the Centers for Disease Control and  
Prevention, Division of Tuberculosis Elimination*

## COURSE DESCRIPTION

This intensive two-day skills-building workshop covers the principles of adult education, teaching strategies, and planning and conducting a TST training. The course includes some lecture sessions; however, the format is highly interactive with an emphasis on role-plays, group exercises, and practice teaching of course content and TST demonstration. Participant will receive feedback from experienced trainers as they practice these skills.

## TARGET AUDIENCE & COURSE REQUIREMENTS

This workshop is designed for licensed health professionals (i.e., nurses, nurse practitioners or physician assistants) who are responsible for training others in tuberculin skin testing. Participants must be proficient in the technique of administering and reading the Mantoux tuberculin skin test and be recommended by their department head. Please attach letter of support to application.

## OBJECTIVES

Upon completion of this workshop, participants will be able to:

- Describe and apply the principles of adult learning to teaching the skill of tuberculin skin testing
- Demonstrate instructional skills during a trainer-learner simulation, i.e., presenting information in lecture format, demonstrating a technical skill, and giving feedback to the learner
- Discuss the logistics of planning a TST training
- Select and utilize appropriate training resources
- Describe how evaluations can be used for program improvement

---

## ACTIVITY SCHEDULE

---

### Wednesday, September 30, 2009

8:00 am	Registration & Continental Breakfast
8:30 am	Course Overview - DJ McCabe, RN
8:45 am	Introductions - Nisha Ahamed, MPH
9:00 am	Training Basics-1 - Nisha Ahamed, MPH
10:15 am	Break
10:30 am	Training Basics-2 - Nisha Ahamed, MPH
11:00 am	Lecture Techniques: TB Fundamentals - Suzanne Tortoriello, RN
11:45 pm	Logistics of Designing a TST Training - Rajita Bhavaraju, MPH
