

Payment of Retroactivity

Code: 30-01-30-55:00 Last Reviewed: 12/20/04

Retroactive payments for late transactions, payment of overtime, shift differential and other such actions involving premium pay, shall be based on the action's effective date. However, payments shall not exceed two (2) years from the date such transaction is brought to the attention of the Human Resources or Payroll Department. Any retroactive payment request exceeding two (2) years must be reviewed and approved by the Vice President for Human Resources.
