

Position Classification System

Code: 30-01-30-65:00 Last Reviewed: 12/20/04

The Classification System for UMDNJ consists of the approved UMDNJ Job Title Listing for Staff Positions, which includes but is not limited to:

- The official title of the position and approved specific position description.
- A definition of the category indicating the kind of work performed and a description of the organizational relationships.
- Minimum requirements and qualifications essential to the performance of the work of the position.
