

## **News from KinderCare/CCLC**

Summer is just around the corner and we have been busy planning fun activities for everyone and field trips for school-age campers. As always, we are making a special effort to ensure a FUN, SAFE AND EXCITING summer program for your child. We know that you want your child to have a wonderful experience, and you also want the peace of mind of knowing that your child is safe at all times. Please take a moment to look over the summer calendars for [Newark](#) and [Piscataway](#) Centers. The calendars may be subject to change, but we are certain you will be excited by all the fun events and activities that have been planned.

Our Summer Program is quite popular and fills up quickly. We recommend that you call for information to reserve a space for your child. We are now collecting the summer fees for all age groups. This fee is used throughout the summer to pay for admission fees, special events, program materials, travel costs, operating costs, and special guests.

If you are interested in enrolling your child in one of our summer programs, please contact Susan Casbar at 132-142 Cabinet Street, Newark, NJ 07107 (973-623-0182) or Nancy Kovacs at 659 Hoes Lane West, Piscataway, NJ 08854 (732-699-1017).

We look forward to having you and your family join us for an exciting summer of fun!
