Addendum #10– RFP# P06-068

- 1) Question: According to the scope of work the Contractor will supply waste containers, however at the walk-thru, UMDNJ stated that dumpsters would be supplied and coordinated as new ones are needed. Please clarify.

Answer: UMDNJ will be responsible for obtaining and the removal of all dumpsters (waste containers).

- 2) Question: The scope of work states that the Contractor should remove and dispose of all fibrous glass insulation material found in the Mechanical Room. During the walk-thru it was stated by UMDNJ that we were not to do anything in the Mechanical Room. Please clarify.

Answer: The insulation in the Mechanical room is not to be removed.

- 3) The due date remains unchanged: August 24, 2006 @ 2:00 PM.
