NOTICE

Warning Concerning Copyright Restrictions

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgement, fulfillment of the order would involve violation of the copyright law.

Interlibrary Loan Policy

All Interlibrary Loan (ILL) and photocopy requests must be submitted on UMDNJ Library forms. **Only one request per form.**

If your request is from a computer search, please supply us with the **Unique Identifier** number.

Requests should be typed or printed using dark ink. No pencils, please.

Printing **must be legible** and citations complete.

Computer search references can be cut and taped to the ILL form. Please make sure the print is dark and sharp. We can't accept ILL forms with staples in them.

Please attach a copy of the citation source for difficult references.
