

Household Members and Number In College

For which academic year are you applying?
(Select one academic year)

2004 – 2005

2005 – 2006

The definition of a household member for financial aid purposes is listed below:

The number of people that you (your parents) will support between **July 1 and June 30**. Include yourself, spouse, and dependent children. If parent(s) are completing the form, include parent(s), yourself, and other dependent children. Include other people **only** if they now live with and get more than half of their support from you (your parents) and will continue to get this support between the dates listed above. (**Do not** include the student’s spouse if giving parental information).

Please list all household members who meet this definition, their ages, and if applicable, the college they will attend for the upcoming academic year.

Name	Age	College Attending (if any)

Please explain any discrepancy between the number of people reported as household members and number of exemptions reported on your or your parent(s) Federal Income Tax Return.
