

# It's a Garden Contest.... Can you dig it??

The **Garden Contest** is a friendly competition that celebrates the spirit of teamwork and the sheer joy of spring and flowers. The goal of the contest is for a department or team to claim one of the planters on the B Level patio and build a magnificent garden which must also be maintained throughout the summer.

**Any department or team can enter,**  
but since there are only 7 planters, **only 7 teams can participate.**  
Each planter will be assigned on a first come, first serve basis.  
**This year, flowers and supplies will be provided on a voluntary basis;**  
each department or team must provide their own supplies. Garden must  
be completed by **July 11, 2008**

**Winners will be awarded prizes in several categories**

To enter the Garden Contest, please contact Stacie Newton at 2-8761

The deadline to enter is **Friday, June 27, 2008**
