Explanatory Notes

1. Data from the former UMDNJ-Robert Wood Johnson Medical School, New Jersey Graduate Program in Public Health (NJGPPH), is included within the historical enrollment for the School of Public Health.
2. The DrPH and the PhD degrees in the School of Public Health are joint degrees with Rutgers, The State University of New Jersey.
3. The MPH degrees in the School of Public Health is a three partner degree with Rutgers, The State University of New Jersey and New Jersey Institute of Technology.
4. The Joint PhD program in Environmental Science (with Rutgers University-Graduate School, New Brunswick), formerly under NJGPPH and later under RWJMS, has been moved to Graduate School of Biomedical Sciences.
5. The ALL HISPANIC category includes Mainland Puerto Rican, Commonwealth Puerto Rican, Mexican American, and Other Hispanics as well as Unspecified Hispanics.
6. NOT REPORTED categories exist either due to lack of available detail in earlier records of the University or to an unwillingness of a student to voluntarily self-identify his/her racial/ethnic category.
7. Students concurrently enrolled in more than one UMDNJ School are counted in each school. They are also identified as such in the University's duplicated enrollment head count.
8. Non-matriculated students for all schools have been listed separately since 1999.
